A LETTER TO ALL APPLICANTS FROM THE MANAGING DIRECTOR

Dear Applicant,

Thank you for taking an interest in our Company, an equal opportunities employer. The Christopher's Group has been in business since 1991 and hope to be around for some years to come. We wrote this letter so you would have a better understanding of our Company and its goals. We also hope that it will make it easier for you to decide whether or not Christopher's Group is the sort of restaurant company that will suit you.

Our Philosophy:

Our restaurants are great places but only if our staff and customers both have fun and are enthusiastic. Without that we are nothing.

We are all colleagues engaged in a co-operative enterprise. We work for ourselves as well as for each other and accept that we all serve each other in this life. We seek pleasure and satisfaction from our work, our colleagues and our environment.

Though we are no one's servants, we remain sharply aware that our customers are our real pay-masters and we must do all that we can to please them. In all of our working thoughts and actions we must never lose sight of this fact.

In addition to the above, you should also be aware that working at Christopher's Group can be very demanding. We train you well, we bombard you with manuals, rules and regulations, and then we test you. We then appraise your performance continuously. We hope to make you proud to work here and proud of your achievements.

Working as part of our team may or may not suit you. However, if it sounds like you might enjoy it, then please fill in the application form enclosed - and good luck. If it does not then we wish you good luck too in whatever you decide to do.

Michael Gottlieb,
Managing Director
